Our Goals

- ✓ To promote environmentally sound waste management practices.
- ✓ To provide an information network for recyclers and waste managers.
- ✓ To provide training/seminars for members and non-members.
- ✓ To provide technical information and assistance to all levels of policy makers.
- ✓ To support practical and basic research in the area of solid waste management.

Benefits of Joining

- ✓ Opportunities to learn from others in your field.
- ✓ A discount on the registration fee for the Annual Solid Waste and Recycling Symposium.
- ✓ A copy of the North Dakota Solid Waste Directory that includes haulers, landfills, recyclers and more.
- ✓ Invitations to workshops, seminars and training about solid waste and recycling in our state.
- ✓ Newsletters and e-newsletters with up-to-date topics and information to keep you on top of issues in solid waste and recycling throughout the year.
- ✓ The opportunity to have a Web page developed for your company, city, tribe, etc. for only $25!
- ✓ Publicity for your own efforts.
- ✓ A voice in statewide solid waste and recycling issues and planning.

From Our Board of Directors…

We would like to take this opportunity to personally invite you to join the NDSWRA, and to consider passing this information along to someone who is not yet a member of this wonderful organization. It is such a great way to network with individuals in our field, and to be able to learn about what is happening with solid waste and recycling issues in our state.
